# illy Cappuccino

*5 oz. cup – single espresso cappuccino*

---

## **Directions:**

1. Prepare espresso 1 oz. (25CC) directly into the cup
2. Steam and froth fresh cold milk
3. Swirl the milk and froth in the pitcher so it stays mixed
4. Pour 1 ½ oz. (45CC) steamed milk and 1 ½ oz. (45CC) frothed milk over the espresso, filling the cup

*For a double, simply brew a double into the cup and top with frothy steamed milk.*
